

Top 5
Mutual Funds
for
Investors
under 40

You work **HARD** for
your money.

Now get your money
to work hard
for **you!**

You CAN be *wealthy!*

But first, ask yourself these 2 questions:

- What's the best way to get started making money during these demanding economic times?
- Which investments are "in tune" with current conditions?

The answers are simple.

Walter S. Frank* ([MONEYLETTER.com](#)'s Chief Economist) specially picked the following top performing mutual funds for investors under 40.

Why are these 5 funds so special?

- They are positioned to provide strong returns over the next 6+ months
- They create a sensible, diversified portfolio
- They are ready to deliver profits during the next market cycle
